

# **HOPE WHEN HOPE SEEMS GONE**

LEIGHTON CURTIS © 2015

**Bb/Eb** **Bb**  
There are times when I cannot seem to find my way  
**Bb/Eb** **Bb**  
Past the critics who seem intent on having their say  
**Gm** **F** **Eb**  
On how to live my life, how to walk my walk their way  
**Eb** **Gm** **Fsus4** **F**  
Pointing out my faults, making doubts my thoughts each day

**Bb** **Eb**  
*Where are You Jesus? What is my purpose?*  
**Gm** **F**  
*Is there a way to ride this storm?*  
**Bb** **Eb**  
*I know You are with me, guiding me gently,*  
**Gm** **F** **Eb**  
*Giving me hope when hope seems gone, but Lord, it's hard*

**Bb/Eb** **Bb**  
In my hour of need I'm still trusting in Your name  
**Bb/Eb** **Bb**  
Fighting back the tears, clinging on to keep me sane  
**Gm** **F** **Eb**  
Confused by hollow help from those I thought were on my page  
**Eb** **Gm** **Fsus4** **F**  
Giving up the fight, falling at Your feet I say

**Bb** **Eb**  
*I'm trusting You Jesus, You're revealing Your purpose*  
**Gm** **F**  
*You're showing me how to ride this storm*  
**Bb** **Eb**  
*I know You are with me, guiding me gently,*  
**Gm** **F**  
*Giving me hope when hope seems gone*

**Bb** **Eb**  
*You're taking me deeper, drawing me closer*  
**Gm** **F**  
*Completely abandoned to Your grace*  
**Bb** **Eb**  
*You've given me reason to lose all religion*  
**Gm** **F**  
*And simply just meet You face to face*

BRIDGE

**Bb/D** **Eb**  
For I know the plans You have for me  
**Gm** **F**  
To give me hope, to carry me  
**Bb/D** **Eb**  
And there's no place I would rather be  
**Gm** **F**  
But here with You for eternity (repeat)  
**Eb**  
In Your arms
