Am F C Em
Through the searching of my heart, You know every single part of me

Am F C Em
Through my every single breath and my fragile faithfulness You see

Am F C Em
Even when I'm far away, when I get on with my day a-lone

Am F C
And for those mistakes I make, You just comfort me and say "I know"

You see in me such great beau-ty

I'm lost no more; a child of Yours

If I climb the highest place, even there, Your love embraces me

Am F C Em
If I wander far away, even there, Your love, it strengthens me

Am F C Em
When the blackness closes in and the burden of my sin seems great

Am F C
You're my lighthouse I hide in, for You turn my darkness into day

I'm lost no more; a child of Yours *(repeat)*

Take me deeper, draw me closer to You, I fall down at Your feet

F Am G C/E

With my hands out, on my knees now for You, abandoned to Your love *(repeat)*

In Your book are written every one of my days

I am fearfully and wonderfully made

You formed all the delicate parts of me with Your hands

A workmanship too complex to understand
