You gave up Your throne to bring us back home.

**G A Bm**  
This is love, This is love

**G A D**  
Our King and Saviour in a manger.

**F#m G A Bm**  
This is love, This is love

**Bm A D**  
Relentlessly tested for forty days in the desert.

**G A Bm**  
This is love, This is love

**G A D**  
Casting out demons, offering freedom.

**F#m G A Bm**  
This is love, This is love

**G D A**  
*For all our sin, the mess that we're in You've shown us just love*

**G D A**  
*No longer worthless, you've given us purpose because of Your love*

**G D Bm A**  
*So we give our all to You, abandoning all*

**G Bm Asus4 A**  
*To our Saviour, Lord of hope who ransomed us all*

**Bm A D**  
Healing all sickness, forgiving our weakness.

**G A Bm**  
This is love, This is love

**G A D**  
Reaching the hopeless, showing us kindness.

**F#m G A Bm**  
This is love, This is love

**G**  
*For all our sin.....*

**Bm** **A D**  
Crowned with thorns, enduring scorn.

**G A Bm**  
This is love, This is love

**G A D**  
Nails in Your hands, tears in the sand.

**F#m G A Bm**  
This is love, This is love

**Bm A D**  
Alone on the cross, Your dignity lost.

**G A Bm**  
This is love, This is love

**G A D**  
A spear in Your side to prove that You died.

**F#m G A Bm**  
This is love, This is love

**G D A**  
*For all our sin, the mess that we're in You've shown us just love*

**G D A**  
*How can we thank You? How can we stand true with all that we've done?*

**G D Bm A**  
*But simply give our lives to You, surrendering all*

**G Bm Asus4 A**  
*To You Saviour, Light of our world who rescued us all*
